FEASIBILITY STUDY: RV PARK

Cleveland County is a low density county concerning campgrounds and RV parks

Of the surrounding competitors, if carried through, this planned development would stand apart by:

- Being closest to I-85 with the most convenient access
- Having the greatest number of sites and surrounding acreage
- Containing a plethora of superior amenities
- Including tiny home/cabin sites unlike others

Based on mix of daily/weekly/monthly occupancy rates, the stabilized occupancy for the park is estimated around 81%

Campground and RV Park industry is expected to see revenues of \$8.7B through 2025

Domestic trips by U.S. Residents are forecasted to increase at an annualized rate of 14.5% by 2025

Adults 50+ comprise a key customer segment for the industry that increases annually by an estimated 1.5%

Younger generations, particularly millennial, are emerging as another key demographic and will provide organic growth moving forward

ANNUAL AVERAGE DAILY TRAFFIC COUNTS:

±43,210 on I-85, between Exits 2-4

±5,792 on Hwy 29 at Long Branch Rd, a great location for signage

**Traffic counts do not reflect casino traffic*
